NOTE-							

1) Prepared as per Clause 33 of State Grid Code Regulation 2020 issued by Hon'ble MERC dtd. 2nd sept 2020 .

2) "R2" updated on mahasidc.in website on dtd. 07.06.2022.Due to revised MOD rates of CGPL are submitted by CEPP

3) Actual rates of NTPC Kawas and Gandhar are displayed on WRDLC web-site daily.

4) Hydro generation is not considered for MOD.

5) Gas and RE and Nuclear Generation is considered as MUST RUN.

6) ISGS Share of Maharashtra during peak hours (18:00 to 22:00Hrs)is shown as capacity allocated to MSEDCL.

Mumbai, Maharashtra - 400051

Sub: Provisional Energy Bill for the supply of power from MSPGCL's Thermal & Gas Power Stations' for the month of April 2022

Ref: 1) Power Purchase Agreement between MSPGCL & MSEDCL, dated 01.04.2009

- 2) Jointly signed meter readings
- 3) MERC order in Case No. 296 of 2019 dated 30th March 2020
- 4) DSM Regulation 2019
- 5) Suo-Muto MERC Order dated 07th Oct 2021

Dear Sir,

Please find attached herewith the monthly energy bill for the Month of April 2022, Bill No. (001/2022) for supply of Power from for MSPGCL's Thermal & Gas Power Stations to MSEDCL.

Mahagenco's Thermal & Gas Power Stations have supplied Total 4729.413866 MUs to MSEDCL, in the month of April 2022. Net Energy Bill amount for MAHAGENCO's Thermal & Gas Power Stations is Rs.2012.2451685 Crores; Bill amount in words Rs. Two thousand Twelve Hundred Crore Twenty Four Lakhs Fifty One Thousand Six Hundred Eighty Five Only

This bill is raised as per the Tariff order passed by MERC on 26th April 2020, Case No. 296 of 2019 , vide ref.3. As the MERC MYT regulation is effective from 1st april 2020, therefore the calculation of AFC disallowance is done as per MYT regulations 2019 considering Apr-2022 as the first month in High demand season as declared by SLDC, therefore the AVF calculations are done accordingly.

As per MERC DSM Regulation and MERC Suo-Muto Order dated 07th Oct 2021, DSM is made commercially applicable from 11th Oct 2021 onwards. As per the related regulatory provisions, the energy billing under DSM is to be done as per scheduled generation. Accordingly, MSPGCL has carried out the energy bill as per schedule data available on SLDC's DSM scheduling software. Billing for the remote auxiliary consumptions and supply provided by MSPGCL (to other agencies) on behalf of MSEDCL will be carried out separately.

This bill is subject to amendments/ revision based on orders that may be passed by MERC /APTEL or reason of any subsequent development at later stage.

It is requested to issue necessary directives for the payment of the above.

Thanking you,

Regard's

Mumbai, Maharashtra - 400051

Sub: Provisional Fuel Surcharge Adjustment Bill for supply of electricity for the month of April-2022 Part-I.

- Ref: 1) Energy Bill No. RCD22/45-A/LT0359 dated 01/05/2022
2) MERC Order dated 30.03.2020 in Case No. 296 of 2019
3) MERC order dated 10.06.2020 in Case No. 97 of 2020
4) MERC order dated 01.03.2021 in Case No. 180 of 2020

Sir,

MSPGCL has already raised energy bill for the month of April-2022 towards the supply of electricity to MSEDCL, vide letter under ref. 1 above, considering the energy charges approved by Hon'ble MERC in the orders under ref. 2.

Computation methodology for FAC Part- I bill for the month of April-2022:

In view of the difficulties faced by MSPGCL on account of non-availability of certified GCV data for loading end coal due to COVID-19 lockdown situation and deviations in energy charge on account of usage of alternate coal, MSPGCL had approached Hon'ble MERC for necessary guidelines for raising the FAC bill for April-2020 and onwards till normalization of schedule of loading end coal GCV certificates. Hon'ble Commission, vide order dated 10.06.2020 in the Case No. 97 of 2020, has directed following regarding the FAC billing.

"22. Therefore, MSPGCL may submit FAC bills to MSEDCL based on actual fuel cost and provisional GCV, which can be either based on mid-point of declared grade GCV or GCV measured by MSPGCL's Testing Team. Although, the Commission has suggested two approaches for arriving at provisional GCV, MSPGCL may adopt any other better approach in consultation with MSEDCL for provisional billing. Bill for differential amount would be based on actual GCV as per CIMFR report to be raised on MSEDCL as and when actual data is available so that appropriate adjustment can be done in FAC submission in subsequent month by MSEDCL."

Accordingly, the tentative Normative Variable Cost for the month of April-2022 is calculated, based on actual costs; weighted averages for GCV data as directed vide

MERC order in case no. 97 of 2019 and approved performance parameters for MSPGCL thermal stations as per MERC order in case no. 296 of 2019 and MERC order in Case No. 180 of 2020.

Compensation for operation of units below normative AVF & above technical minimum:

The Regulation 34 of State Grid Code Regulations, 2020, has provided for claim for compensation on account of operation at or above the technical minimum but below the normative plant availability factor on account of grid security or due to the fewer schedules given by the buyer.

As per Regulations 34.2 and 34.3 of State Grid Code, 2020 MSPGCL is entitled to claim compensation for such operations up to technical minimum of 55% in the monthly FAC bills and during tariff filing process, on the basis of technical parameters during such period, duly supported by relevant data verified by SLDC.

For the purpose of claims for compensation for the month of April-2022, MSPGCL has initiated the process for getting the loadability data certified by SLDC. MSPGCL is also compiling the other relevant data. However, the process for verification of relevant data and subsequent computation of compensation is yet to be formalized by SLDC.

Therefore in the present FAC Part-I bill for April-2022, MSPGCL has not included any claim for compensation on account of operating the units below the normative availability loads up to Technical minimum of 55%. However once the relevant data is compiled and is duly verified by SLDC, MSPGCL will raise the claim.

Provisional FAC Part-I bill for the month of April-2022:

Accordingly, please find attached herewith Provisional FAC Part-I bill for MSPGCL thermal stations for supply of electricity for the month of April-2022 is Rs. 294063848 /- (In words of Rs. Twenty Nine Crore Forty Lakhs Sixty Three Thousand Eight Hundred Forty Eight Only).

Part (II) of the FAC bill for April-2022 for differential amount based on CIMFR Report as per methodology will be raised later on after receipt of CIMFR reports. Also this bill is subject to amendments/ revision based on receipt orders that may be passed by MERC /APTEL or reason of any subsequent development at later stage.

It is requested to issue necessary directives for the adjustment of the above bill in respective Energy bill.

Also as explained above, MSPGCL will claim the compensation for Technical minimum operations during April'2022 once the relevant data is compiled and is duly verified by SLDC.

Further it is to bring to your kind notice that Regulation 33.9 of the State Grid Code Regulations, 2020, provides following regarding revision in MoD stack published on the 15th of the month.

"33.9 MoD Stack uploaded on the 15th of the month may be subsequently revised by SLDC in the following circumstances:

- a) Commencement of supply of power by a generating unit under a new arrangement/bilateral agreement/Short term agreement in between period of MoD operation,*
- b) Revision of variable charges for preparing the MOD Stack due to Tariff Order*

issued by the Commission for state generating stations or by the Central Commission for central generating stations,

c) Impact of change in law in the PPAs as approved by the Commission."

Therefore, it is requested that the April-2022 FAC Part-I bill rates should not be considered for revision of prevailing MOD stack for May-2022.

Thanking you,

Yours faithfully,

A handwritten signature in blue ink, appearing to be 'R. M. M. S.', followed by the date '18/05/2022'.

Chief Engineer (RCD), MSPGCL

Mumbai, Maharashtra - 400051

Sub: Provisional Part-II Fuel Surcharge Adjustment Bill for supply of electricity for the month of April-2022.

- Ref: 1) April -22 FAC Bill Part-I.
2) Energy Bills for Apr 2022.
3) Compensation bill for the month of Nov-21 to Dec-21 on dtd. 20.05.2022.
4) MERC Order dated 30.03.2020 in Case No. 296 of 2019
5) MERC order dated 10.06.2020 in Case No. 97 of 2020

Dear Sir,

MSPGCL has already raised energy bill for the month of April-22 towards the supply of electricity to MSEDCL, vide letter under ref. 2 above, considering the energy charges approved by Hon'ble MERC in the orders under ref. 3.

Computation methodology for FAC Part- II bill for the month of April-2022

In view of the difficulties faced by MSPGCL on account of non-availability of certified GCV data for loading end coal due to COVID-19 lockdown situation and deviations in energy charge on account of usage of alternate coal, MSPGCL had approached Hon'ble MERC for necessary guidelines for raising the FAC bill for April-21 and onwards till normalization of schedule of loading end coal GCV certificates.

Hon'ble Commission, vide order dated 10.06.2020 in the Case No. 97 of 2020, has directed following regarding the FAC billing.

"22. Therefore, MSPGCL may submit FAC bills to MSEDCL based on actual fuel cost and provisional GCV, which can be either based on mid-point of declared grade GCV or GCV measured by MSPGCL's Testing Team. Although, the Commission has suggested two approaches for arriving at provisional GCV, MSPGCL may adopt any other better approach in consultation with MSEDCL for provisional billing. Bill for differential amount would be based on actual GCV as per CIMFR report to be raised on MSEDCL as and when actual data is available so that appropriate adjustment can be done in FAC submission in subsequent month by MSEDCL."

Accordingly, MSPGCL has raised Provisional Part-I FAC Bill for the month of Apr-22 vide letter under ref. 1.

Now, MSPGCL has computed normative variable cost for the month of Apr-22 in Part-II FAC Bill considering differential amount based on midpoint methodology of Declare Grade of GCV raised in Part-I and actual receipt of CIMFR

reports.

Compensation for operation of units below normative AVF & above technical minimum:

The Regulation 34 of State Grid Code Regulations, 2020, has provided for claim for compensation on account of operation at or above the technical minimum but below the normative plant availability factor on account of grid security or due to the fewer schedules given by the buyer.

As per Regulations 34.2 and 34.3 of State Grid Code, 2020 MSPGCL is entitled to claim compensation for such operations up to technical minimum of 55% in the monthly FAC bills and during tariff filing process, on the basis of technical parameters during such period, duly supported by relevant data verified by SLDC.

MSPGCL has raised compensation bills till the month of Mar-22. In the present FAC Part-II bill for Apr-22, MSPGCL has not included any claim for compensation on account of operating the units below the normative availability loads up to Technical minimum of 55%. However once the relevant data is compiled and is duly verified by SLDC, MSPGCL will raise the claim.

Provisional Differential FAC Part-II bill for the month of Apr-22:

Accordingly, please find attached herewith Provisional differential (part II) FSA bill for MSPGCL thermal stations for supply of electricity for the month of Apr-22. Amount for said bill is as below;

Sr.No	Month	Bill No.	Amount (Rs. Lakhs)
1	April-22 Part-II FAC Bill	35/2022	3100.37516
	Total		3100.37516

Provisional differential (Part-II) FSA bill for MSPGCL thermal stations for supply of electricity for the month of Apr-22 is Rs. 310037516/- (In words Thirty One Crore Thirty Seven Thousand Five Hundred Sixteen Only).

This bill is subject to amendments/ revision based on receipt orders that may be passed by MERC /APTEL or reason of any subsequent development at later stage.

It is requested make payment of the above bill.

Thanking you,

Yours faithfully,

Sub: Provisional Compensation bill as per provisions under Regulations 34 of the State Grid Code Regulations, 2020 for MSPGCL's coal based thermal units for the month of April -22, towards compensation for operation of units at loadability below 85% & above technical minimum on account of backing down due to low demand.

Ref:

1. FAC Bills raised by MSPGCL for the months Apr-22.
2. MERC Order dated 30.03.2020 in Case No. 296 of 2019.
3. State Grid Code Regulations, 2020

Dear Sir,

MSPGCL has already raised FAC bills (Part-I as well as Part-II) for the month of Apr-22 towards the supply of electricity to MSEDCL, considering the energy charges approved by Hon'ble MERC in the MYT Tariff order dated 30.03.2020 in Case No. 296 of 2019.

MSPGCL has raised provisional compensation bill for Oct- 2020 to March 2022 as per provisions under Regulation 34 of the state grid Code regulations, 2020. Now MSPGCL has worked out the compensation claims for the months Apr-22, by applying the same methodology.

Accordingly, please find attached herewith Compensation bill for MSPGCL coal based thermal stations for supply of electricity for the months of Apr-22 .

Presently No computation carried out for compensation for Uran GTPS.

The month-wise amount for said bill is as below;

Sr.No	Month	Amount (Rs. Lakhs)
1	Apr-22	00.0000

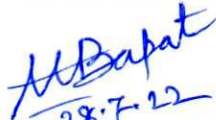

The Compensation bills for MSPGCL coal based thermal stations for supply of electricity for the months of Apr-22 is 00000 /- (In words Rs. Zero Only)

The compensation detail workings in Excel files are being shared.

It is requested make payment of the above bill.

Thanking you,

Yours faithfully,
